LEGISLATIVE COUNSEL'S DIGEST

SB 2, as amended, Hernandez. Health care coverage.

(1) Existing federal law, the federal Patient Protection and Affordable Care Act (PPACA), enacts various health care coverage market reforms

that take effect January 1, 2014. Among other things, PPACA requires each health insurance issuer that offers health insurance coverage in the individual or group market in a state to accept every employer and individual in the state that applies for that coverage and to renew that coverage at the option of the plan sponsor or the individual. PPACA prohibits a group health plan and a health insurance issuer offering group or individual health insurance coverage from imposing any preexisting condition exclusion with respect to that plan or coverage. PPACA allows the premium rate charged by a health insurance issuer offering small group or individual coverage to vary only by rating area, age, tobacco use, and whether the coverage is for an individual or family and prohibits discrimination against individuals based on health status, as specified. PPACA requires an issuer to consider all enrollees in its individual market plans to be part of a single risk pool and to consider all enrollees in its small group market plans to be part of a single risk pool, as specified. PPACA also requires each state to, by January 1, 2014, establish an American Health Benefit Exchange that facilitates the purchase of qualified health plans by qualified individuals and qualified small employers, as specified.

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act a crime. ~~Existing law also provides for the regulation of health insurers by the Insurance Commissioner.~~ Existing law requires plans ~~and insurers~~ offering coverage in the individual market to offer coverage for a child subject to specified requirements. Existing law establishes the California Health Benefit Exchange (Exchange) to facilitate the purchase of qualified health plans through the Exchange by qualified individuals and qualified small employers by January 1, 2014.

This bill would require a plan ~~or insurer~~, on and after October 1, 2013, to offer, market, and sell all of the plan's ~~or insurer's~~ health benefit plans that are sold in the individual market for policy years on or after January 1, 2014, to all individuals and dependents in each service area in which the plan ~~or insurer~~ provides or arranges for the provision of health care services, as specified, but would require plans ~~and insurers~~ to limit enrollment in individual health benefit plans to specified open enrollment and special enrollment periods. The bill would prohibit these health benefit plans from imposing any preexisting condition *exclusion* upon any individual and from conditioning the issuance or offering of

individual health benefit plans on any health status-related factor, as specified. The bill would require a health care service plan ~~or health insurer~~ to consider the claims experience of all enrollees ~~or insureds~~ of its nongrandfathered individual health benefit plans *offered in the state* to be part of a single risk pool, *as specified*, would require the plan ~~or insurer~~ to establish a specified index rate for that market, and would authorize the plan ~~or insurer~~ to vary premiums from the index rate based only on specified factors. The bill would authorize plans ~~and insurers~~ to use only age, geographic region, and family size for purposes of establishing rates for individual health benefit plans, as specified. The bill would require plans ~~and insurers~~ to provide specified information regarding the Exchange to applicants for and subscribers of individual health benefit plans offered outside the Exchange. The bill would prohibit a plan ~~or insurer~~ from advertising or marketing an individual grandfathered health plan for the purpose of enrolling a dependent of the subscriber ~~or policyholder~~ in the plan and would also require plans ~~and insurers~~ to annually issue a specified notice to subscribers ~~and policyholders~~ enrolled in a grandfathered plan. *The bill would authorize the director to require a plan to discontinue offering individual plan contracts if the director determines the plan does not have sufficient financial viability or organizational capacity, as specified. The bill would make certain of these provisions, inoperative if, and 12 months after, certain provisions of PPACA are repealed or amended, as specified.*

Existing law requires plans ~~and insurers~~ to guarantee issue their small employer health benefit plans, as specified. With respect to nongrandfathered small employer health benefit plans for plan years on or after January 1, 2014, among other things, existing law provides certain exceptions from the guarantee issue requirement, allows the premium for small employer health benefit plans to vary only by age, geographic region, and family size, as specified, and requires plans ~~and insurers~~ to provide special enrollment periods and coverage effective dates consistent with the individual nongrandfathered market in the state. Existing law provides that these provisions shall be inoperative if specified provisions of PPACA are repealed.

This bill would modify the small employer special enrollment periods and coverage effective dates for purposes of consistency with the individual market reforms described above. The bill would also modify the exceptions from the guarantee issue requirement and the manner in which a plan ~~or insurer~~ determines premium rates for a small employer

health benefit plan, as specified. The bill would also require a plan ~~or insurer~~ to consider the claims experience of all enrollees of its nongrandfathered small employer health benefit plans *offered in this state* to be part of a single risk pool, *as specified*, would require the plan ~~or insurer~~ to establish a specified index rate for that market, and would authorize the plan ~~or insurer~~ to vary premiums from the index rate based only on specified factors. The bill would ~~delete the provisions making~~ *make certain of* these provisions inoperative, *as specified*, if, *and 12 months after*, specified provisions of PPACA are repealed.

Because a willful violation of these requirements with respect to health care service plans would be a crime, the bill would impose a state-mandated local program.

(2) PPACA requires a state or the United States Secretary of Health and Human Services to implement a risk adjustment program for the 2014 benefit year and every benefit year thereafter, under which a charge is assessed on low actuarial risk plans and a payment is made to high actuarial risk plans, as specified. If a state that elects to operate an American Health Benefit Exchange elects not to administer this risk adjustment program, the secretary will operate the program and issuers will be required to submit data for purposes of the program to the secretary.

This bill would require that any data submitted by health care service plans ~~and health insurers~~ to the secretary for purposes of the risk adjustment program also be submitted to the Department of Managed Health Care ~~or the Department of Insurance~~; *in the same format. The bill would require the department to use that data for specified purposes.*

(3) PPACA requires health insurance issuers to provide a summary of benefits and coverage explanation pursuant to specified standards to applicants and enrollees or policyholders.

Existing law requires health care service plans to use disclosure forms that contain specified information regarding the contracts issued by the plan, including the benefits and coverage of the contract, and the exceptions, reductions, and limitations that apply to the contract. Existing law requires health care service plans that offer individual or small group coverage to also provide a uniform health plan benefits and coverage matrix containing the plan's major provisions, as specified.

~~This bill would authorize the Department of Managed Health Care to waive or modify those requirements for purposes of compliance with PPACA through issuance of all-plan letters until January 1, 2015.~~

~~(4) Existing law requires a health care service plan or a health insurer offering individual plan contracts or individual insurance policies to fairly and affirmatively offer, market, and sell certain individual contracts and policies to all federally eligible defined individuals, as defined, in each service area in which the plan or insurer provides or arranges for the provision of health care services. Existing law prohibits the premium for those policies and contracts from exceeding the premium paid by a subscriber of the California Major Risk Medical Insurance Program who is of the same age and resides in the same geographic region as the federally eligible defined individual, as specified.~~

~~This bill would instead prohibit the premium for those policies and contracts from exceeding the premium for a specified plan offered in the individual market through the California Health Benefit Exchange in the rating area in which the individual resides. The bill would make this requirement operative on the later of January 1, 2014, or the 91st day following the adjournment of the 2013–14 First Extraordinary Session. Because a willful violation of this requirement by a health care service plan would be a crime, the bill would impose a state-mandated local program.~~

~~(5) Existing law creates the Healthy Families Program, administered by the Managed Risk Medical Insurance Board, to arrange for the provision of health care services to eligible children through participating health, dental, and vision care plans, as defined. To be eligible for the program, existing law requires applicants to, among other requirements, be less than 19 years of age and have a limited gross household income, as specified. Existing law provides for the transition of specified enrollees of the Healthy Families Program to the Medi-Cal program, to the extent that those individuals are otherwise eligible, no sooner than January 1, 2013.~~

~~This bill would require plans offering coverage to Healthy Families Program enrollees, on or after January 1, 2012, including those transitioned to the Medi-Cal program, to offer 18 months of coverage, until a specified date, to individuals who were or are disenrolled from the program due to ineligibility because of age and are not eligible for full scope coverage under Medi-Cal. The bill would require plans to provide notice of eligibility for this coverage within a specified period of time and would require beneficiaries electing this coverage to pay no more than 110% of the average per subscriber payment made to all~~

~~participating health, dental, or vision plans for program coverage, as specified.~~

This bill would require that certain health care service plan contracts satisfy these requirements by providing a uniform summary of benefits and coverage required by federal law.

(6) This bill would become operative only if AB 2 of the 2013–14 First Extraordinary Session is enacted and takes effect.

~~(6)~~

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1348.96 is added to the Health and Safety
2 Code, to read:

3 1348.96. Any data submitted by a health care service plan to
4 the United States Secretary of Health and Human Services, or his
5 or her designee, for purposes of the risk adjustment program
6 described in Section 1343 of the federal Patient Protection and
7 Affordable Care Act (42 U.S.C. Sec. 18063) shall be concurrently
8 submitted to the department *in the same format. The department*
9 *shall use the information to monitor federal implementation of*
10 *risk adjustment in the state and to ensure that health care service*
11 *plans are in compliance with federal requirements related to risk*
12 *adjustment.*

13 SEC. 2. Section 1357.51 of the Health and Safety Code, as
14 added by Chapter 852 of the Statutes of 2012, is amended to read:

15 1357.51. (a) A health benefit plan for group coverage shall
16 not impose any preexisting condition provision or waived
17 condition provision upon any enrollee.

18 (b) (1) A nongrandfathered health benefit plan for individual
19 coverage shall not impose any preexisting condition provision or
20 waived condition provision upon any enrollee. ~~A~~

21 (2) A grandfathered health benefit plan for individual coverage
22 shall not exclude coverage on the basis of a waived condition

1 provision or preexisting condition provision for a period greater
2 than 12 months following the enrollee's effective date of coverage,
3 nor limit or exclude coverage for a specific enrollee by type of
4 illness, treatment, medical condition, or accident, except for
5 satisfaction of a preexisting condition provision or waived
6 condition provision pursuant to this article. Waivered condition
7 provisions or preexisting condition provisions contained in
8 individual grandfathered health benefit plans may relate only to
9 conditions for which medical advice, diagnosis, care, or treatment,
10 including use of prescription drugs, was recommended or received
11 from a licensed health practitioner during the 12 months
12 immediately preceding the effective date of coverage.

13 (c) (1) A health benefit plan for group coverage may apply a
14 waiting period of up to 60 days as a condition of employment if
15 applied equally to all eligible employees and dependents and if
16 consistent with PPACA. A health benefit plan for group coverage
17 through a health maintenance organization, as defined in Section
18 2791 of the federal Public Health Service Act (*42 U.S.C. Sec.*
19 *300gg-3(e)*), shall not impose any affiliation period that exceeds
20 60 days. A waiting or affiliation period shall not be based on a
21 preexisting condition of an employee or dependent, the health
22 status of an employee or dependent, or any other factor listed in
23 Section 1357.52. An affiliation period shall run concurrently with
24 a waiting period. During the waiting or affiliation period, the plan
25 is not required to provide health care services and no premium
26 shall be charged to the subscriber or enrollees.

27 (2) A health benefit plan for individual coverage shall not
28 impose any waiting or affiliation period.

29 (d) In determining whether a preexisting condition provision,
30 a waived condition provision, or a waiting or affiliation period
31 applies to an enrollee, a plan shall credit the time the enrollee was
32 covered under creditable coverage, provided that the enrollee
33 becomes eligible for coverage under the succeeding plan contract
34 within 62 days of termination of prior coverage, exclusive of any
35 waiting or affiliation period, and applies for coverage under the
36 succeeding plan within the applicable enrollment period. A plan
37 shall also credit any time that an eligible employee must wait
38 before enrolling in the plan, including any postenrollment or
39 employer-imposed waiting or affiliation period.

1 However, if a person's employment has ended, the availability
2 of health coverage offered through employment or sponsored by
3 an employer has terminated, or an employer's contribution toward
4 health coverage has terminated, a plan shall credit the time the
5 person was covered under creditable coverage if the person
6 becomes eligible for health coverage offered through employment
7 or sponsored by an employer within 180 days, exclusive of any
8 waiting or affiliation period, and applies for coverage under the
9 succeeding plan contract within the applicable enrollment period.

10 (e) An individual's period of creditable coverage shall be
11 certified pursuant to Section 2704(e) of Title XXVII of the federal
12 Public Health Service Act (42 U.S.C. Sec. 300gg-3(e)).

13 SEC. 3. Section 1357.503 of the Health and Safety Code is
14 amended to read:

15 1357.503. (a) (1) On and after October 1, 2013, a plan shall
16 fairly and affirmatively offer, market, and sell all of the plan's
17 small employer health care service plan contracts for plan years
18 on or after January 1, 2014, to all small employers in each service
19 area in which the plan provides or arranges for the provision of
20 health care services.

21 (2) On and after October 1, 2013, a plan shall make available
22 to each small employer all small employer health care service plan
23 contracts that the plan offers and sells to small employers or to
24 associations that include small employers in this state for plan
25 years on or after January 1, 2014. *Health coverage through an*
26 *association that is not related to employment shall be considered*
27 *individual coverage pursuant to Section 144.102(c) of Title 45 of*
28 *the Code of Regulations.*

29 (3) A plan that offers qualified health plans through the
30 Exchange shall be deemed to be in compliance with paragraphs
31 (1) and (2) with respect to small employer health care service plan
32 contracts offered through the Exchange in those geographic regions
33 in which the plan offers plan contracts through the Exchange.

34 (b) A plan shall provide enrollment periods consistent with
35 PPACA and described in Section 155.725 of Title 45 of the Code
36 of Federal Regulations. Commencing January 1, 2014, a plan shall
37 provide special enrollment periods consistent with the special
38 enrollment periods described in Section 1399.849, except for the
39 triggering events identified in paragraphs (d)(3) and (d)(6) of

1 Section 155.420 of Title 45 of the Code of Federal Regulations
2 with respect to plan contracts offered through the Exchange.

3 (c) No plan or solicitor shall induce or otherwise encourage a
4 small employer to separate or otherwise exclude an eligible
5 employee from a health care service plan contract that is provided
6 in connection with employee's employment or membership in a
7 guaranteed association.

8 (d) Every plan shall file with the director the reasonable
9 employee participation requirements and employer contribution
10 requirements that will be applied in offering its plan contracts.
11 Participation requirements shall be applied uniformly among all
12 small employer groups, except that a plan may vary application
13 of minimum employee participation requirements by the size of
14 the small employer group and whether the employer contributes
15 100 percent of the eligible employee's premium. Employer
16 contribution requirements shall not vary by employer size. A health
17 care service plan shall not establish a participation requirement
18 that (1) requires a person who meets the definition of a dependent
19 in Section 1357.500 to enroll as a dependent if he or she is
20 otherwise eligible for coverage and wishes to enroll as an eligible
21 employee and (2) allows a plan to reject an otherwise eligible small
22 employer because of the number of persons that waive coverage
23 due to coverage through another employer. Members of an
24 association eligible for health coverage under subdivision (m) of
25 Section 1357.500, but not electing any health coverage through
26 the association, shall not be counted as eligible employees for
27 purposes of determining whether the guaranteed association meets
28 a plan's reasonable participation standards.

29 (e) The plan shall not reject an application from a small
30 employer for a small employer health care service plan contract
31 if all of the following conditions are met:

32 (1) The small employer offers health benefits to 100 percent of
33 its eligible employees. Employees who waive coverage on the
34 grounds that they have other group coverage shall not be counted
35 as eligible employees.

36 (2) The small employer agrees to make the required premium
37 payments.

38 (3) The small employer agrees to inform the small employer's
39 employees of the availability of coverage and the provision that
40 those not electing coverage must wait until the next open

1 enrollment or a special enrollment period to obtain coverage
2 through the group if they later decide they would like to have
3 coverage.

4 (4) The employees and their dependents who are to be covered
5 by the plan contract work or reside in the service area in which
6 the plan provides or otherwise arranges for the provision of health
7 care services.

8 (f) No plan or solicitor shall, directly or indirectly, engage in
9 the following activities:

10 (1) Encourage or direct small employers to refrain from filing
11 an application for coverage with a plan because of the health status,
12 claims experience, industry, occupation of the small employer, or
13 geographic location provided that it is within the plan's approved
14 service area.

15 (2) Encourage or direct small employers to seek coverage from
16 another plan because of the health status, claims experience,
17 industry, occupation of the small employer, or geographic location
18 provided that it is within the plan's approved service area.

19 (3) Employ marketing practices or benefit designs that will have
20 the effect of discouraging the enrollment of individuals with
21 significant health ~~needs~~. *needs or discriminate based on an*
22 *individual's race, color, national origin, present or predicted*
23 *disability, age, sex, gender identity, sexual orientation, expected*
24 *length of life, degree of medical dependency, quality of life, or*
25 *other health conditions.*

26 (g) A plan shall not, directly or indirectly, enter into any
27 contract, agreement, or arrangement with a solicitor that provides
28 for or results in the compensation paid to a solicitor for the sale of
29 a health care service plan contract to be varied because of the health
30 status, claims experience, industry, occupation, or geographic
31 location of the small employer. This subdivision does not apply
32 to a compensation arrangement that provides compensation to a
33 solicitor on the basis of percentage of premium, provided that the
34 percentage shall not vary because of the health status, claims
35 experience, industry, occupation, or geographic area of the small
36 employer.

37 (h) (1) A policy or contract that covers a small employer, as
38 defined in Section 1304(b) of PPACA and in Section 1357.500,
39 shall not establish rules for eligibility, including continued
40 eligibility, of an individual, or dependent of an individual, to enroll

1 under the terms of the policy or contract based on any of the
2 following health status-related factors:

- 3 (A) Health status.
- 4 (B) Medical condition, including physical and mental illnesses.
- 5 (C) Claims experience.
- 6 (D) Receipt of health care.
- 7 (E) Medical history.
- 8 (F) Genetic information.
- 9 (G) Evidence of insurability, including conditions arising out
10 of acts of domestic violence.
- 11 (H) Disability.

12 (I) Any other health status-related factor as determined by any
13 federal regulations, rules, or guidance issued pursuant to Section
14 2705 of the federal Public Health Service Act.

15 (2) Notwithstanding Section 1389.1, a health care service plan
16 shall not require an eligible employee or dependent to fill out a
17 health assessment or medical questionnaire prior to enrollment
18 under a small employer health care service plan contract. A health
19 care service plan shall not acquire or request information that
20 relates to a health status-related factor from the applicant or his or
21 her dependent or any other source prior to enrollment of the
22 individual.

23 (i) (1) A health care service plan shall consider ~~the claims~~
24 ~~experience of all enrollees in all nongrandfathered small employer~~
25 ~~health care service plan contracts offered in the state that are subject~~
26 ~~to subdivision (a), including those enrollees who do not enroll in~~
27 ~~the contracts through the Exchange, to be members of a single risk~~
28 ~~pool; as a single risk pool for rating purposes in the small employer~~
29 ~~market the claims experience of all enrollees in all~~
30 ~~nongrandfathered small employer health benefit plans offered by~~
31 ~~the health care service plan in this state, whether offered as health~~
32 ~~care service plan contracts or health insurance policies, including~~
33 ~~enrollees who enroll in coverage through the Exchange and outside~~
34 ~~of the Exchange.~~

35 (2) Each ~~plan~~ calendar year, a health care service plan shall
36 establish an index rate for the small employer market in the state
37 based on the total combined claims costs for providing essential
38 health benefits, as defined pursuant to Section 1302 of PPACA
39 and Section 1367.005, within the single risk pool required under
40 paragraph (1). The index rate shall be adjusted on a marketwide

1 basis based on the total expected marketwide payments and charges
2 under the risk adjustment and reinsurance programs established
3 for the state pursuant to Sections 1343 and 1341 of PPACA. The
4 premium rate for all of the health care service plan's
5 nongrandfathered small employer health care service plan contracts
6 shall use the applicable index rate, as adjusted for total expected
7 marketwide payments and charges under the risk adjustment and
8 reinsurance programs established for the state pursuant to Sections
9 1343 and 1341 of PPACA, subject only to the adjustments
10 permitted under paragraph (3).

11 (3) A health care service plan may vary ~~premiums~~ *premium*
12 rates for a particular nongrandfathered small employer health care
13 service plan contract from its index rate based only on the
14 following actuarially justified plan-specific factors:

15 (A) The actuarial value and cost-sharing design of the plan
16 contract.

17 (B) The plan contract's provider network, delivery system
18 characteristics, and utilization management practices.

19 (C) The benefits provided under the plan contract that are in
20 addition to the essential health benefits, as defined pursuant to
21 Section 1302 of PPACA. These additional benefits shall be pooled
22 with similar benefits within the single risk pool required under
23 paragraph (1) and the claims experience from those benefits shall
24 be utilized to determine rate variations for plan contracts that offer
25 those benefits in addition to essential health benefits.

26 (D) With respect to catastrophic plans, as described in subsection
27 (e) of Section 1302 of PPACA, the expected impact of the specific
28 eligibility categories for those plans.

29 (E) *Administrative costs, excluding any user fees regulated by*
30 *the Exchange.*

31 (j) A plan shall comply with the requirements of Section 1374.3.

32 (k) *(1) Except as provided in paragraph (2), if Section 2702 of*
33 *the federal Public Health Service Act (42 U.S.C. Sec. 300gg-1),*
34 *as added by Section 1201 of PPACA, is repealed, this section shall*
35 *become inoperative 12 months after the repeal date, in which case*
36 *health care service plans subject to this section shall instead be*
37 *governed by Section 1357.03 to the extent permitted by federal*
38 *law, and all references in this article to this section shall instead*
39 *refer to Section 1357.03 except for purposes of paragraph (3).*

1 (2) *Subdivision (b) shall remain operative with respect to health*
2 *care service plan contracts offered through the Exchange.*

3 SEC. 4. Section 1357.504 of the Health and Safety Code is
4 amended to read:

5 1357.504. (a) With respect to small employer health care
6 service plan contracts offered outside the Exchange, after a small
7 employer submits a completed application form for a plan contract,
8 the health care service plan shall, within 30 days, notify the
9 employer of the employer's actual premium charges for that plan
10 contract established in accordance with Section 1357.512. The
11 employer shall have 30 days in which to exercise the right to buy
12 coverage at the quoted premium charges.

13 (b) Except as provided in subdivision (c), when a small employer
14 submits a premium payment, based on the quoted premium charges,
15 and that payment is delivered or postmarked, whichever occurs
16 earlier, within the first 15 days of the month, coverage under the
17 plan contract shall become effective no later than the first day of
18 the following month. When that payment is neither delivered nor
19 postmarked until after the 15th day of a month, coverage shall
20 become effective no later than the first day of the second month
21 following delivery or postmark of the payment.

22 (c) (1) With respect to a small employer health care service
23 plan contract offered through the Exchange, a plan shall apply
24 coverage effective dates consistent with those required under
25 Section 155.720 of Title 45 of the Code of Federal Regulations
26 and paragraph (2) of subdivision (e) of Section 1399.849.

27 (2) With respect to a small employer health care service plan
28 contract offered outside the Exchange for which an individual
29 applies during a special enrollment period described in *paragraph*
30 (2) of subdivision (b) of Section 1357.503, the following provisions
31 shall apply:

32 (A) Coverage under the plan contract shall become effective no
33 later than the first day of the first calendar month beginning after
34 the date the plan receives the request for special enrollment.

35 (B) Notwithstanding subparagraph (A), in the case of a birth,
36 adoption, or placement for adoption, coverage under the plan
37 contract shall become effective on the date of birth, adoption, or
38 placement for adoption.

39 (d) During the first 30 days after the effective date of the plan
40 contract, the small employer shall have the option of changing

1 coverage to a different plan contract offered by the same health
2 care service plan. If a small employer notifies the plan of the

4 *SEC. 10.* Section 1389.5 of the Health and Safety Code is
5 amended to read:

6 1389.5. (a) This section shall apply to a health care service
7 plan that provides coverage under an individual plan contract that
8 is issued, amended, delivered, or renewed on or after January 1,
9 2007.

10 (b) At least once each year, the health care service plan shall
11 permit an individual who has been covered for at least 18 months
12 under an individual plan contract to transfer, without medical
13 underwriting, to any other individual plan contract offered by that
14 same health care service plan that provides equal or lesser benefits,
15 as determined by the plan.

16 “Without medical underwriting” means that the health care
17 service plan shall not decline to offer coverage to, or deny
18 enrollment of, the individual or impose any preexisting condition
19 exclusion on the individual who transfers to another individual
20 plan contract pursuant to this section.

21 (c) The plan shall establish, for the purposes of subdivision (b),
22 a ranking of the individual plan contracts it offers to individual
23 purchasers and post the ranking on its Internet Web site or make
24 the ranking available upon request. The plan shall update the
25 ranking whenever a new benefit design for individual purchasers
26 is approved.

27 (d) The plan shall notify in writing all enrollees of the right to
28 transfer to another individual plan contract pursuant to this section,
29 at a minimum, when the plan changes the enrollee’s premium rate.
30 Posting this information on the plan’s Internet Web site shall not
31 constitute notice for purposes of this subdivision. The notice shall
32 adequately inform enrollees of the transfer rights provided under
33 this section, including information on the process to obtain details
34 about the individual plan contracts available to that enrollee and
35 advising that the enrollee may be unable to return to his or her
36 current individual plan contract if the enrollee transfers to another
37 individual plan contract.

38 (e) The requirements of this section shall not apply to the
39 following:

(1) A federally eligible defined individual, as defined in subdivision (c) of Section 1399.801, who is enrolled in an individual health benefit plan contract offered pursuant to Section 1366.35.

(2) An individual offered conversion coverage pursuant to Section 1373.6.

(6) An individual enrolled in the Healthy Families Program pursuant to Part 6.2 (commencing with Section 12693) of Division 2 of the Insurance Code.

(f) It is the intent of the Legislature that individuals shall have more choice in their health coverage when health care service plans guarantee the right of an individual to transfer to another product based on the plan's own ranking system. The Legislature does not intend for the department to review or verify the plan's ranking for actuarial or other purposes.

(g) ~~(1) This section shall remain in effect only until become inoperative January 1, 2014, or the 91st calendar day following the adjournment of the 2013–14 First Extraordinary Session, whichever date is later, and as of that date is repealed, unless a later enacted statute, that becomes operative on or before that date, deletes or extends the date on which it is repealed.~~

~~(2) If Section 5000A of the Internal Revenue Code, as added by Section 1501 of PPACA, is repealed or amended to no longer apply to the individual market, as defined in Section 2791 of the federal Public Health Services Act (42 U.S.C. 19 affiliation period under the individual plan contract that was
20 rescinded, the health care service plan may apply the same
21 preexisting condition provision or waiting or affiliation period in
22 the new individual plan contract. The time period in the new
23 individual plan contract for the preexisting condition provision or
24 waiting or affiliation period shall not be longer than the one in the
25 individual plan contract that was rescinded and the health care
26 service plan shall credit any time that the individual was covered

34 offered new individual plan contract and this contract shall be
35 effective as of the effective date of the original plan contract and
36 there shall be no lapse in coverage.

37 (g) This section shall not apply to any individual whose
38 information in the application for coverage and related
39 communications led to the rescission.

(h) (1) This section shall become inoperative on January 1, 2014, or the 91st calendar day following the adjournment of the 2013–14 First Extraordinary Session, whichever date is later.

(2) *If Section 5000A of the Internal Revenue Code, as added by Section 1501 of PPACA, is repealed or amended to no longer apply to the individual market, as defined in Section 2791 of the federal Public Health Services Act (42 U.S.C. (c) The plan shall notify in writing all enrollees of the right to coverage under an individual plan contract pursuant to this section, at a minimum, when the plan rescinds the individual plan contract. The notice shall adequately inform enrollees of the right to coverage provided under this section.

15 the individual because of its obligations to existing enrollees.

17 without regard to the claims experience of those individuals or any
18 health status-related factor relating to those individuals.

19 (B) A health care service plan that cannot offer an individual

34 (D) Coverage offered within a service area after the period
35 specified in subparagraph (B) shall be subject to this section.

(3) Paragraph (2) shall not limit the plan's ability to renew coverage already in force or relieve the plan of the responsibility to renew that coverage as described in Section 1365.

(4) Coverage offered within a service area after the period specified in paragraph (2) shall be subject to this section.

(c) Nothing in this article shall be construed to limit the director's authority to develop and implement a plan of rehabilitation for a health care service plan whose financial viability or organizational and administrative capacity has become impaired to the extent permitted by PPACA.

(d) This section shall not apply to an individual health benefit plan that is a grandfathered health plan.

1399.858. In determining whether the conditions of this section have been met, the director shall consider, but not be limited to, the plan's compliance with the requirements of Section 1367, Article 6 (commencing with Section 1375), and the rules adopted thereunder.

15 plan within 62 days of termination of prior coverage, exclusive of
16 any waiting period, and applies for coverage under the succeeding
17 plan within the applicable enrollment period. A plan shall also
18 credit any time that an eligible employee must wait before enrolling
19 in the plan, including any postenrollment or employer-imposed
20 waiting period. However, if a person's employment has ended, the

25 if the person becomes eligible for health coverage offered through
26 employment or sponsored by an employer within 180 days,
27 exclusive of any waiting period, and applies for coverage under
28 the succeeding plan within the applicable enrollment period.

29 (e) An individual's period of creditable coverage shall be
30 certified pursuant to Section 2704(e) of Title XXVII of the federal

8 ~~benefit plans that are sold to, offered through, or sponsored by;~~
9 ~~small employers or associations that include small employers for~~
10 ~~plan years on or after January 1, 2014, to all small employers in~~
11 ~~each geographic region in which the carrier makes coverage~~
12 ~~available or provides benefits.~~

13 ~~(2) A carrier that offers qualified health plans through the~~
14 ~~Exchange shall be deemed to be in compliance with paragraph (1)~~
15 ~~with respect to health benefit plans offered through the Exchange~~
16 ~~in those geographic regions in which the carrier offers plans~~
17 ~~through the Exchange.~~

18 ~~(3) A carrier shall provide enrollment periods consistent with~~
19 ~~PPACA and described in Section 155.725 of Title 45 of the Code~~
20 ~~of Federal Regulations. Commencing January 1, 2014, a carrier~~
21 ~~shall provide special enrollment periods consistent with the special~~
22 ~~enrollment periods described in Section 10965.3, except for the~~
23 ~~triggering events identified in paragraphs (d)(3) and (d)(6) of~~
24 ~~Section 155.420 of Title 45 of the Code of Federal Regulations~~
25 ~~with respect to health benefit plans offered through the Exchange.~~

26 ~~(4) Nothing in this section shall be construed to require an~~
27 ~~association, or a trust established and maintained by an association~~
28 ~~to receive a master insurance policy issued by an admitted insurer~~
29 ~~and to administer the benefits thereof solely for association~~
30 ~~members, to offer, market or sell a benefit plan design to those~~
31 ~~who are not members of the association. However, if the~~
32 ~~association markets, offers or sells a benefit plan design to those~~
33 ~~who are not members of the association it is subject to the~~
34 ~~requirements of this section. This shall apply to an association that~~
35 ~~otherwise meets the requirements of paragraph (8) formed by~~
36 ~~merger of two or more associations after January 1, 1992, if the~~
37 ~~predecessor organizations had been in active existence on January~~
38 ~~1, 1992, and for at least five years prior to that date and met the~~
39 ~~requirements of paragraph (5).~~

~~(5) A carrier which (A) effective January 1, 1992, and at least 20 years prior to that date, markets, offers, or sells benefit plan designs only to all members of one association and (B) does not market, offer or sell any other individual, selected group, or group policy or contract providing medical, hospital and surgical benefits shall not be required to market, offer, or sell to those who are not members of the association. However, if the carrier markets, offers or sells any benefit plan design or any other individual, selected group, or group policy or contract providing medical, hospital and surgical benefits to those who are not members of the association it is subject to the requirements of this section.~~

~~(6) Each carrier that sells health benefit plans to members of one association pursuant to paragraph (5) shall submit an annual statement to the commissioner which states that the carrier is selling health benefit plans pursuant to paragraph (5) and which, for the one association, lists all the information required by paragraph (7).~~

~~(7) Each carrier that sells health benefit plans to members of any association shall submit an annual statement to the commissioner which lists each association to which the carrier sells health benefit plans, the industry or profession which is served by the association, the association's membership criteria, a list of officers, the state in which the association is organized, and the site of its principal office.~~

~~(8) For purposes of paragraphs (4) and (6), an association is a nonprofit organization comprised of a group of individuals or employers who associate based solely on participation in a specified profession or industry, accepting for membership any individual or small employer meeting its membership criteria, which do not condition membership directly or indirectly on the health or claims history of any person, which uses membership dues solely for and in consideration of the membership and membership benefits, except that the amount of the dues shall not depend on whether the member applies for or purchases insurance offered by the association, which is organized and maintained in good faith for purposes unrelated to insurance, which has been in active existence on January 1, 1992, and at least five years prior to that date, which has a constitution and bylaws, or other analogous governing documents which provide for election of the governing board of the association by its members, which has contracted with one or more carriers to offer one or more health~~

benefit plans to all individual members and small employer members in this state.

(e) On and after October 1, 2013, each carrier shall make available to each small employer all health benefit plans that the carrier offers or sells to small employers or to associations that include small employers for plan years on or after January 1, 2014. Notwithstanding subdivision (d) of Section 10753, for purposes of this subdivision, companies that are affiliated companies or that are eligible to file a consolidated income tax return shall be treated as one carrier.

(d) Each carrier shall do all of the following:

(1) Prepare a brochure that summarizes all of its health benefit plans and make this summary available to small employers, agents, and brokers upon request. The summary shall include for each plan information on benefits provided, a generic description of the manner in which services are provided, such as how access to providers is limited, benefit limitations, required copayments and deductibles, an explanation of how creditable coverage is calculated if a waiting period is imposed, and a telephone number that can be called for more detailed benefit information. Carriers are required to keep the information contained in the brochure accurate and up to date, and, upon updating the brochure, send copies to agents and brokers representing the carrier. Any entity that provides administrative services only with regard to a health benefit plan written or issued by another carrier shall not be required to prepare a summary brochure which includes that benefit plan.

(2) For each health benefit plan, prepare a more detailed evidence of coverage and make it available to small employers, agents and brokers upon request. The evidence of coverage shall contain all information that a prudent buyer would need to be aware of in making selections of benefit plan designs. An entity that provides administrative services only with regard to a health benefit plan written or issued by another carrier shall not be required to prepare an evidence of coverage for that health benefit plan.

(3) Provide copies of the current summary brochure to all agents or brokers who represent the carrier and, upon updating the brochure, send copies of the updated brochure to agents and brokers representing the carrier for the purpose of selling health benefit plans.

~~(4) Notwithstanding subdivision (c) of Section 10753, for purposes of this subdivision, companies that are affiliated companies or that are eligible to file a consolidated income tax return shall be treated as one carrier.~~

~~(e) Every agent or broker representing one or more carriers for the purpose of selling health benefit plans to small employers shall do all of the following:~~

~~(1) When providing information on a health benefit plan to a small employer but making no specific recommendations on particular benefit plan designs:~~

~~(A) Advise the small employer of the carrier's obligation to sell to any small employer any of the health benefit plans it offers to small employers, consistent with PPACA, and provide them, upon request, with the actual rates that would be charged to that employer for a given health benefit plan.~~

~~(B) Notify the small employer that the agent or broker will procure rate and benefit information for the small employer on any health benefit plan offered by a carrier for whom the agent or broker sells health benefit plans.~~

~~(C) Notify the small employer that, upon request, the agent or broker will provide the small employer with the summary brochure required in paragraph (1) of subdivision (d) for any benefit plan design offered by a carrier whom the agent or broker represents.~~

~~(D) Notify the small employer of the availability of coverage and the availability of tax credits for certain employers consistent with PPACA and state law, including any rules, regulations, or guidance issued in connection therewith.~~

~~(2) When recommending a particular benefit plan design or designs, advise the small employer that, upon request, the agent will provide the small employer with the brochure required by paragraph (1) of subdivision (d) containing the benefit plan design or designs being recommended by the agent or broker.~~

~~(3) Prior to filing an application for a small employer for a particular health benefit plan:~~

~~(A) For each of the health benefit plans offered by the carrier whose health benefit plan the agent or broker is presenting, provide the small employer with the benefit summary required in paragraph (1) of subdivision (d) and the premium for that particular employer.~~

1 ~~(B) Notify the small employer that, upon request, the agent or~~
2 ~~broker will provide the small employer with an evidence of~~
3 ~~coverage brochure for each health benefit plan the carrier offers.~~

4 ~~(C) Obtain a signed statement from the small employer~~
5 ~~acknowledging that the small employer has received the disclosures~~
6 ~~required by this paragraph and Section 10753.16.~~

7 ~~(f) No carrier, agent, or broker shall induce or otherwise~~
8 ~~encourage a small employer to separate or otherwise exclude an~~
9 ~~eligible employee from a health benefit plan which, in the case of~~
10 ~~an eligible employee meeting the definition in paragraph (1) of~~
11 ~~subdivision (f) of Section 10753, is provided in connection with~~
12 ~~the employee's employment or which, in the case of an eligible~~
13 ~~employee as defined in paragraph (2) of subdivision (f) of Section~~
14 ~~10753, is provided in connection with a guaranteed association.~~

15 ~~(g) No carrier shall reject an application from a small employer~~
16 ~~for a health benefit plan provided:~~

17 ~~(1) The small employer as defined by subparagraph (A) of~~
18 ~~paragraph (1) of subdivision (q) of Section 10753 offers health~~
19 ~~benefits to 100 percent of its eligible employees as defined in~~
20 ~~paragraph (1) of subdivision (f) of Section 10753. Employees who~~
21 ~~waive coverage on the grounds that they have other group coverage~~
22 ~~shall not be counted as eligible employees.~~

23 ~~(2) The small employer agrees to make the required premium~~
24 ~~payments.~~

25 ~~(h) No carrier or agent or broker shall, directly or indirectly,~~
26 ~~engage in the following activities:~~

27 ~~(1) Encourage or direct small employers to refrain from filing~~
28 ~~an application for coverage with a carrier because of the health~~
29 ~~status, claims experience, industry, occupation, or geographic~~
30 ~~location within the carrier's approved service area of the small~~
31 ~~employer or the small employer's employees.~~

32 ~~(2) Encourage or direct small employers to seek coverage from~~
33 ~~another carrier because of the health status, claims experience,~~
34 ~~industry, occupation, or geographic location within the carrier's~~
35 ~~approved service area of the small employer or the small~~
36 ~~employer's employees.~~

37 ~~(3) Employ marketing practices or benefit designs that will have~~
38 ~~the effect of discouraging the enrollment of individuals with~~
39 ~~significant health needs.~~

~~(i) No carrier shall, directly or indirectly, enter into any contract, agreement, or arrangement with an agent or broker that provides for or results in the compensation paid to an agent or broker for a health benefit plan to be varied because of the health status, claims experience, industry, occupation, or geographic location of the small employer or the small employer's employees. This subdivision shall not apply with respect to a compensation arrangement that provides compensation to an agent or broker on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation, or geographic area of the small employer.~~

~~(j) (1) A health benefit plan offered to a small employer, as defined in Section 1304(b) of PPACA and in Section 10753, shall not establish rules for eligibility, including continued eligibility, of an individual, or dependent of an individual, to enroll under the terms of the plan based on any of the following health status-related factors:~~

~~(A) Health status.~~

~~(B) Medical condition, including physical and mental illnesses.~~

~~(C) Claims experience.~~

~~(D) Receipt of health care.~~

~~(E) Medical history.~~

~~(F) Genetic information.~~

~~(H) Disability.~~

~~(I) Any other health status-related factor as determined by any federal regulations, rules, or guidance issued pursuant to Section 2705 of the federal Public Health Service Act.~~

~~(2) Notwithstanding Section 10291.5, a carrier shall not require an eligible employee or dependent to fill out a health assessment or medical questionnaire prior to enrollment under a health benefit plan. A carrier shall not acquire or request information that relates to a health status-related factor from the applicant or his or her dependent or any other source prior to enrollment of the individual.~~

~~(k) (1) A carrier shall consider the claims experience of all insureds in all nongrandfathered health benefit plans offered in the state that are subject to subdivision (a), including those insureds who do not enroll in the plans through the Exchange, to be members of a single risk pool.~~

~~(2) Each plan year, a carrier shall establish an index rate for the small employer market in the state based on the total combined claims costs for providing essential health benefits, as defined pursuant to Section 1302 of PPACA, within the single risk pool required under paragraph (1). The index rate shall be adjusted on a market-wide basis based on the total expected market-wide payments and charges under the risk adjustment and reinsurance programs established for the state pursuant to Sections 1343 and 1341 of PPACA. The premium rate for all of the carrier's nongrandfathered health benefit plans shall use the applicable index rate, as adjusted for total expected market-wide payments and charges under the risk adjustment and reinsurance programs established for the state pursuant to Sections 1343 and 1341 of PPACA, subject only to the adjustments permitted under paragraph (3).~~

~~(3) A carrier may vary premiums rates for a particular nongrandfathered health benefit plan from its index rate based only on the following actuarially justified plan-specific factors:~~

~~(A) The actuarial value and cost-sharing design of the health benefit plan.~~

~~(B) The health benefit plan's provider network, delivery system characteristics, and utilization management practices.~~

~~(C) The benefits provided under the health benefit plan that are in addition to the essential health benefits, as defined pursuant to Section 1302 of PPACA. These additional benefits shall be pooled with similar benefits within the single risk pool required under paragraph (1) and the claims experience from those benefits shall be utilized to determine rate variations for health benefit plans that offer those benefits in addition to essential health benefits.~~

~~(D) With respect to catastrophic plans, as described in subsection (c) of Section 1302 of PPACA, the expected impact of the specific eligibility categories for those plans.~~

~~(I) If a carrier enters into a contract, agreement, or other arrangement with a third-party administrator or other entity to provide administrative, marketing, or other services related to the offering of health benefit plans to small employers in this state, the third-party administrator shall be subject to this chapter.~~

~~(m) (1) Except as provided in paragraph (2), this section shall become inoperative if Section 2702 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-1), as added by Section 1201~~

1 of PPACA, is repealed, in which case carriers subject to this section
2 shall instead be governed by Section 10705 to the extent permitted
3 by federal law, and all references in this chapter to this section
4 shall instead refer to Section 10705, except for purposes of
5 paragraph (2).

6 (2) Paragraph (3) of subdivision (b) of this section shall remain
7 operative as it relates to health benefit plans offered through the
8 Exchange.

15 The employer shall have 30 days in which to exercise the right to
16 buy coverage at the quoted rates.

17 (b) Except as required under subdivision (c), when a small

19 and that payment is delivered or postmarked, whichever occurs
20 earlier, within the first 15 days of a month, coverage shall become
21 effective no later than the first day of the following month. When
22 that payment is neither delivered nor postmarked until after the
23 15th day of a month, coverage shall become effective no later than
24 the first day of the second month following delivery or postmark
25 of the payment.

26 (c) (1) With respect to a health benefit plan offered through the
27 Exchange, a carrier shall apply coverage effective dates consistent

29 of Federal Regulations and paragraph (2) of subdivision (c) of
30 Section 10965.3.

2 ~~adoption.~~

3 ~~(d) During the first 30 days of coverage, the small employer~~
4 ~~shall have the option of changing coverage to a different health~~
5 ~~benefit plan offered by the same carrier. If a small employer~~
6 ~~notifies the carrier of the change within the first 15 days of a month,~~
7 ~~coverage under the new health benefit plan shall become effective~~
8 ~~no later than the first day of the following month. If a small~~
9 ~~employer notifies the carrier of the change after the 15th day of a~~
10 ~~month, coverage under the new health benefit plan shall become~~
11 ~~effective no later than the first day of the second month following~~
12 ~~notification.~~

13 ~~(e) All eligible employees and dependents listed on the small~~
